Dear Librarian,

I would like to recommend that the library purchases a subscription to the journal below:

The Bone & Joint Journal (formerly known as ***The Journal of Bone & Joint Surgery (Br)***)

I am recommending this for/because:

This journal is an essential resource for my department

I will recommend its use to my students

I have published/intend to publish articles within this journal and therefore support it

I am on the Editorial Board, and strongly support this journal
